

**Celebrations**

We enjoyed celebrating the Royal Wedding at Nursery last month, dressing up, having a tea party and posing for photographs!

May celebrations saw the children helping to make flower garlands and hoops to dance with.

We made some great instruments during music week and enjoyed singing along to our accompaniments.

Super Heros descended on the nursery for the last week in May - Bat man, Captain America, Super Woman and other Marvel Characters

Dates for your diary:

We will be closing the nursery on the following days for staff development and training:

Friday 20<sup>th</sup> July PM session

Monday 23<sup>rd</sup> July AM session

Monday 24<sup>th</sup> December All day

**Star of the Week**

w/c 30<sup>th</sup> April - Ivy awareness of Nursery Values , good listening and being kind

w/c 7<sup>th</sup> May - Phoebe using kind hands, helping and good listening

w/c 14<sup>th</sup> May - Zac using kind hands and good listening

## *MONKEY PUZZLE WALDESLADE*

### Is there an alternative?..

As a qualified aromatherapist I would like to introduce to parents, natural remedies for everyday ailments.

Tea tree Essential Oil - this oil is known for its antiseptic properties, prevents infections in cuts and abrasions and can also encourage wound healing.

When using this oil you only need 2-3 drops on the infected area which can be applied directly or dressing ie: plaster.

It is important to purchase the pure essential oil, it can be applied neat to the skin even for babies.

For further information please ask Ruth

### Please note

From the beginning of June we will be encouraging the children to brush their teeth after lunch. This is to encourage our healthy wellbeing. We will provide a toothbrush and toothpaste individually for each child at nursery unless you have your own preference, in which case please speak to a member of staff.

We will be changing to a new feedback system this month for children aged 2 years plus. This will consist of verbal feedback from staff via a daily sheet, completed and remaining at the nursery.

Invoices will no longer be sent out monthly unless there is a change to your booking pattern or additional monies owed.
